

Next Stop: A Better Life.

At Valley Baptist, we believe in helping you live a healthier life. One of the Valley Baptist community health vans will travel to your community weekly.

During the month of July 2010, Valley Baptist will be offering low cost and **FREE** health screenings in your area.

For a complete screening list and to schedule your appointment, call **(956) 389-4848** between 8AM -5:30PM or visit **www.valleybaptist.net** for more information.
