Message to the Community:

In our annual report to the community, Milestones 2010, reference was made to the formation of a "New" Foundation when in fact the Foundation will remain the same but with a new focus. In the past, the mission of the Foundation was to raise funds to support the infrastructure of our hospitals. After completion of the transaction with Vanguard Health System, the focus of the Foundation will be to identify and address all of the healthcare related needs of our community. Currently, a community health needs assessment is being completed which will be the centerpiece for the Foundation's new direction.

Thank you for your continued support of Valley Baptist Health System and the Valley Baptist Foundation.

Yours very truly,

A handwritten signature in black ink that reads "Randy Baker". The signature is written in a cursive, flowing style.

Randy Baker  
Senior Vice President
